

Modern Love-anthol Erotic Writing - Kerri Sharp

Black Lace has been the publishing sensation of the decade. This is the first imprint to recognise women's erotic writing as a genre and it has given women the opportunity to write their fantasies, using their language. Black Lace books have explored areas of sexual fantasy where other women's fiction has feared to tread. This is the first anthology of extracts from Black Lace with an exclusively contemporary theme. Seduction and mystery and darkly sensual behaviour are the key words to this unique collection of sensual writings from the female imagination. Worlds of secluded passion collide with unbridled erotic exploration, and scintillating characters delight in the thrill of total surrender to pleasure and decadent indulgence.
