My Love, My Poetry is a CD focused on romance, relationships, and sensuality. The Aspirations of Atlanta Red is a CD focused on spirituality, social issues, and sentimental reflection. I hope you will stop by to listen. If you like, please tell your friends about me and visit my web site: AtlantaRed.com. Expect to be taken on a journey while listening to the CD, The Aspirations of Atlanta Red. A.R. shares reflective spoken poetry covering a wide range of topics including: our society, overcoming adversity, inner-reflection, and spiritual healing. Tony, Marietta, GA I was expecting to hear the typical spoken word style of poetic expression, but what I found was an honest portrayal of perspective from this brother in poetry. Carol, Houston, TX -- Spoken Mind actually spoke to me. It was exactly what I needed at exactly the right time. Ive told all of my friends and family about this artist and I hope to hear more from him in the future. Terri, Washington, DC I wasnt expecting this. Im actually in tears, joyful tears. Be blessed in all that you do, A.R. Julia, Philadelphia, PA A friend of mine urged me to listen to this CD. I was never into poetry until that day. Now, I cant get enough of it. James, New York, NY Ive met and actually helped man artists over the years, but this man stands out. His way with expression is unique to himself and he has done an outstanding job with his first release. To learn more about Atlanta Red, visit the web site: AtlantaRed.com
