Azoghn style is original, yet you sense a little of the boldness of a artist like the late "Princess" Aaliyha. 16

MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Contemporary urban Details: Azoghn Bio

Azoghn, born in Aiken, S.C., the oldest of 5 siblings 3 of whom are also entertainers in some form. She can't remember a day she wasn't singing. Her mother says she came out the womb singing. She started singing in church where at 6 she was already leading songs for the adult choir. This song bird is more than just a pretty face that can sing, she took formal training in ballet, tap and jazz dancing for 10 of her childhood years, so to say that this beautiful lady is ready is an understatement. She is not satisfied with just singing, when you listen to her, she wants to take you on a journey that you want to never end, she purposely flips, dips and dives with her vocals to make you want to see how the ending will be. Seeing her perform live is a fantasy in it self, you will be mesmerized and satisfied, all your dreams fulfilled in your mind. She has performed at all types of functions ranging from church, to Annual Festivals and concerts. The people that she most admires are people like her mother and numerous family members who are famous in their own right. Some of her favorite artists include, Michael Speaks, Patti Labelle, Luther Vandross, David Hollister and Fantasia. You may also download this music at all Major Digital Music Sites!!!
