\*\*\*\*\* "It's not the critic who counts, not the one who points out how the strong man stumbled or how the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood...who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause. Who, at best, knows in the end the victory of high achievement and worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who knew neither victory nor defeat." -Theodore Roosevelt
