Details: The laid back yet in your face musical styling of Carmen Electra Paradise offers an escape from the confines of society without the harsh aggressiveness of much of today's music. She does this by combining very skilled and full acoustic guitar rhythms with lyrics that offer a mixture of personal story and political ideas, thus promoting change through the more successful ways of thought and decision, rather than violence and nihilism. Carmen has found much success in her short career in Michigan. She was voted "Best of the Best" in the Lansing State Journal in 2001 and 2002. She has been interviewed in many publications including Kinky Wisdom Music Mag, The City Pulse, and The Lansing State Journal. And featured on the cover of Noise Magazine! In 2003 Carmen joined THICK Records band Calliope as a bass player which prompted a new side project to begin called The Good Mornings. The Good Mornings combines the folk infused songwriting of Carmen mixed with the space rock qualities of Jason Lantrip (Calliope).
