Story based songs with big harmonies from this multi-award winning duo. A cross between styles like Lonestar, Keith Urban, Amy Grant Alison Krauss where the importance of the story behind the song is evident in every track. 12 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Details: Just when you think they couldn't possibly get better, CARTER CARTER have come up with a dazzling fourth album Leap Before You Look. Their last album, Acoustic Gospel, was like taking a breather before the leap into this stunning CD, produced, in the main by themselves and Adrian Hannan. It has taken some time to complete this project, with first single Play That Song released in late 2005 and follow up 2006 single Ride taking the duo all the way to the Golden Guitars in 2007. They have just released their third single Run Away to coincide with the Tamworth release of the album. The CD is chock full of classic Carter Carter songs including the award winning chart hits Ride Play That Song. Brilliant uplifting songs from Merelyn, sprinkled with some tongue-in-cheek songs from David. Whatever the magic is, Carter Carter have it; along with the ability to create music that touches each and every one of their fans including me.
