Hip Hop Flava Form copeAsetic and DJ Krames reppin Richmond VA 10 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Dollars and Pounds is a a breath of fresh air in the ever increasing hip hop scene. With raw, ill lyrics by copeAsetic and krames and headbangin beats from DJ krames on the production, you can't help but to nod ya head. D&P comes with the ill mix of underground and party banger hip hop, and it is obvious that they come correct with it. You may have heard about copeAsetic and krames from their past invovlement in the Unusual Suspects out of Washington D.C. or the many mix tapes both have blessed, But they are now in Richmond Va. gettin grimyer by the minute and consistently playing shows and grindin out new tracks. To catch a D&P show is truly amazing. Each set is custom tailored to the event and they come with a different approach to every show. copeAsetic's stage prescence and sick lyrics will peel ya wig back while Krames cuts, beats, and rhymes will blow a hole in ya chest. IronJaw is an amazing breakthrough album for Dollars and Pounds and its just the tip of the iceberg. The full length album will be out soon along with DJ Krames mixtapes and an off the hook remix mixtape of past D&P hits. Check out Dollars and Pounds on tour this summer and get in touch for the new albums, mixtapes, booking, whateva!!!!and always remeber "without the dollars you can't get the pounds"
