Details: Dyan Garris has helped many people move forward in their lives with her gifts of clairvoyance, clairaudience, and clairsentience. Dyan is a voice recognition psychic and trance channel. She has helped many people learn to use the power contained in their chakras to be the best they can be. She has created a Spiritual Toolbox full of products for multi-dimensional living and integrative healing. This includes the Amazonbestselling book Money and Manifesting, which was a finalist in the USA National Best Books of 2008 Awards, and a CD series of music and meditation for healing, Automatic Chakra Balance, relaxation, and vibrational attunement of mind, body, and spirit. The CD series has been nominated for multiple New Age Reporter awards, includes numerous #1 charting songs and has earned the National Health and Wellness Stamp of Approval. Her new DVD Doors to the Soul, a relaxation DVD for automatically balancing the energy field using a technique she developed called Automatic Chakra Balance, was released in November, 2008. She is also the author, developer and artist of Voice of the Angels A Healing Journey Spiritual Cards (1994 - 2008); Voice of the Angels Cookbook Talk To Your Food! Intuitive Cooking; The Book of Daily Channeled Messages; and Fish Tale of Woe Lost at Sea. She writes a Daily Channeled Message and is the publisher of Voice of the AngelsMagazine for Multi-Dimensional Living, which debuted in December, 2008. Free angel card readings in three languages are offered on her main website. Ms. Garris no longer provides private readings, but does provide Manifesting Therapy.
