A Matter Of Time... How many times in our lives do we falter because we are too impatient? Isn't the whole live, all love, all that matters nothing but a matter of time? 15 MP3 Songs POP: Piano, NEW AGE: New Age Details: eloah-art is the musical project of elmar c. fuchs. It started 1993. Until now, 6 CDs have been recorded. This is a CD full of love and passion, ballades of the different shapes of the heart in all its colours. It is about true love and the ways to deal with that emotion. The CD - especially the song "You Are A Diamond" - is dedicated to my Queen of the Stars, my beloved Astrid, who keeps inspiring me. The last two tracks, however, are dedicated to my late friend Jrg Horner. May he rest in peace. In my heart he will always live on.
