People who are interested in BT Tangerine Dream Paul Oakenfold should consider this download.

Details: Eric D. Sharp is currently a freelance composer, conductor and performer. His interest presented itself at the age of four when he would compose short pieces for the piano. Continuing his studies on the piano and composition led him to study and receive a Bachelors and Masters degree in composition and conducting at California State University in Long Beach. His compositions have been performed throughout California, Oregon and Texas. He has written pieces for a variety of ensembles including music for choir, concert band, orchestra, chamber ensemble, percussion ensemble, solo voice and electronic media.
