Country Gospel shared from the heart of a believer 11 MP3 Songs GOSPEL: Country Gospel, GOSPEL: Traditional Gospel Details: Garland (Sonny) Jones and Karen (Jones) Hill are a father daughter duo who love to sing Country Gospel Music. They have been singing together for ten years. They sing and minister in their home church (Lerona United Methodist Church) and other local churches and gospel related events. Garland (Sonny) began his musical career at the age of 16, singing and playing the fiddle with a local group called the Green Valley Boys. They had an early morning radio program on WLOH in Princeton, WV. Garland married Norma Jean Dunn and soon went into the Army serving the in the U.S., the Far East, and in Europe. During this time they had two children, Ronald Craig, and Karen Lynn. Garland has two granddaughters, Kari Beth and Kayla Jean. After leaving the military, Garland returned to WV and resumed his education graduating from Concord College and taught public school for 20 years. He also pastored two local churches during this time. Garland lost his wife, Norma Jean, to cancer in 1982. He continued to minister in the church and in 1986 formed a new trio called The New Sounds. They recorded their first project in August 1987 in Winston Salem NC. Jimmy Edmonds, now with Carolina Opera, was the project engineer. In February 1988, we were invited to sign with Eddie Crook on the Wren label and recorded our second project in Nashville TN. We were pleased with the response from the public and received many calls and letters for tapes and open dates. Our next project was also with Eddie Crook in Nashville, TN in 1989 and the release was on Harvest label. The response from this project was tremendous. We were now singing in a five state area and the ministry was really doing well. Our next project, in 1992 was done with Jimmy Edmonds in Galax, VA. The group had a new member and a little different sound but was still doing well. Shortly after this project I lost both the lead singer and the alto singer. I continued to minister and sing until 1996 when my daughter Karen began to sing with

me. We just completed a new project entitled Yesterday, Today and Forever. We hope everyone will support our new project and that God will Bless the songs to his Glory. All of the eleven songs are original songs written by Garland with music by David Johnson. The New Sounds have performed on the: Nationally Acclaimed Appalachian Jubilee Music Stage/Radio/Television show in Chambersburg, PA. On the Sid Hughes Nationally Syndicated Radio Program At Tweetsie Railroad in Boone, NC sponsored by the Singing News Magazine and Classic Artist, Inc. At Pipestem State Park Resort located in Pipestem WV, sponsored by the UMC Southern District Ministerial Conference. In local churches in a five state area including, Ohio, Pennsylvania, North Carolina, Virginia and West Virginia. Now that I have reached the three score and ten age level and because of some health problems, we dont travel as much as we once did. But as long as God gives me the strength I will continue to write songs and minister wherever he leads me. Garland (Sonny) Jones I can do all things through Christ which strengtheneth me. Phil 4:13
