Modern worship with a prophetic edge. This album will bring you into worship and have you declaring His word as you have a genuine experience in His presence. 11 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Mood Music Details: Jason has been ministering in music for nearly ten years. He writes and records the songs that are born out of the triumph, joy, struggle, and pain that come in the Christian walk. He wants to see people encouraged in their personal devotion to Him and demonstrate what real worship is all about. He is the associate pastor and worship leader of Church for All Nations in Juneau, AK and frequently leads worship at conferences and churches around the world. With a genuine desire to follow God's heart and direction, he recognizes that it is never about musical ability, talent, or charisma, but always about the life and word that God wants to pour out at any given time of ministry.
