Ken Michaels' "The Last of its Kind" boasts a Pet Sounds vibe full of sparkle and charm. The Boston-based singer/songwriter delivers infectious melodies, lush harmonies and seamlessly stitched electro-acoustic textures on this 14 song CD. 14 MP3 Songs POP: Quirky, ROCK: Emo Details: Review of "The Last of its Kind" from Smother.net Charming electro-acoustic folkster Ken Michaels writes light tunes that are surprisingly deep in scope and rich in layers. Dreamy muffled vocals are Michaels signature endearing him to the emo and anti-folk crowds. Apartment music recorders will revel in his style which utilizes acoustic guitars, electronic loops, and strong harmonies. The Last of Its Kind might not be, but it is one of the better ones of its kind. - J-Sin
