Foreword: All of the honor and glory to my Lord and Saviour Jesus Christ. This artwork was not initiated for fame, fortune, or self promotion. Many times I considered removing my name from this project. I often pondered this idea not out of shame or denial but because of my imperfection. How can one as imperfect as I am present this project without giving a falsely perceived self-proclamation of flawlessness? Well, I can't. We all have our varied interpretations of reality. Criticisms, rumors, pains, lies, distortions, misunderstandings, sins(past and present)etc, are all part of the cross- a cross we must choose to bear in spite of our imperfection. Am I worthy? -- Of course not - but without the blood of Christ--- who is?
