A mix of old school and new school hip/hop without the glamor. A taste of the new with out the after taste. 15 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Hip Hop Details: Maestro, a noun meaning a distinguished musician and a great artist, at least thats the dictionary definition. Maestro, or Maes for short, is far more than the average emcee. Drawing his inspirations from artists like Slick Rick, Big Daddy Kane, and KRS-ONE, which he says is his reason for picking up a pen. As well as Redman, Outkast, and Eminem. However, his style is difficult to label. He draws no comparisons to any of his lyrical mentors. Having grown tired of the same stale subject matter of todays hip-hop scene, Maes chooses to approach his music with a truth first mentality. Whether hes flaunting his lyrical prowess on songs like Maes 4 Short and Kangaroo or poetically bearing his soul and frustrations on tracks like Can You Help Me and Blaze My Life Away, Maestro maintains his integrity as a writer. Still Maestros greatest work comes when he turns to his own life experiences for inspiration; His struggles and hardships that werent born from the street but from emotional obstacles that he has learned to overcome. My music is my therapy. he says, I cant speak about anything I dont know. I want to reach people I cant do that if I dont know what Im talking about so I talk about what I do know and hope that someone out there can say Damn I feel the same way...thought I was the only one. Maestro speaks to the meek and lost. He speaks to the souls of those forgotten by hip-hop...souls like his own. Maes speaks to the humanity of hip-hop leaving us with a greater understanding of what truth sounds like. A sound that hip-hop has forgotten and left behind. He realizes his gift and accepts his responsibility that comes with it, the responsibility to be true to his craft, his audience, and himself. Hip-hop is being blessed with a new voice, its very own rap psychologist. VAs best kept secret is about to leak out. Get ready...here comes Maestro.
