As a child, Maxwell sang in the neighborhood church choir and took cues from his mother who held the position of head of music ministries. Today, it is clear that his daily music lessons are paying off. Maxwell has gain a reputation as a talented triple threat in the performing arts arena. His previous work includes leading roles in popular musicals such as Singing in the Rain, The King and I and Annie. As a current student at Kansas State University studying Business Management and Music, Maxwell made a name for himself in the university performing arts scene during his very first semester of college when he received a major role in the hit musical Grease. His powerful vocals and talented stage presence impressed audiences across the state. After this success, Maxwell decided to take his talent one step further and emerged from the performing arts scene ready to pursue a career in the music industry. In 2004, at the raw age of 18, Maxwell began writing songs for his first compilation titled The Freshman. The independent album sold 1,500 copies within its first month of release, solidifying Maxwells path towards a successful music career. After two fruitful years of performing and recording, Maxwell continues to make his mark one song and one performance at a time. Listeners across the country have embraced his music and talented performing skills as they flock to see him in several cities and venues such as Hollywoods famous Key Club, The Knitting Factory and The Gig. He has also performed in cities such as San Antonio, Kansas City and St. Louis. Maxwell also has experience opening for popular musicians, such as rap recording artist Paul Wall. As a clear sign of his success, Maxwells popular recordings such as Wish You Were Mine have been ranked as high as 2nd on the

R&B/Pop charts out of the 20,000 songs listed (soundclick.com) while Walk With Me has been a part of the top 5. What clearly distinguishes Mardell Maxwell as an artists is his creative ability to combine crisp vocals, smooth rifts and rhythmic flavors while he conveys deep and real messages. Maxwells cool smooth swagger embodies the Mid-West musical movement. Because he was raised listening to and studying everything from gospel to classical music, his voice is developed and matured enough to powerfully capture and control attention through the emotion he expresses. Maxwells music embodies a youthful, rhythmic feeling that will take you from love to a party mood and back in love again.
