One of the best albums of the year, Thug Hitz Vol. 1 is the story of a hustler from Miami, FL. who gets caught up in a situation involving Murder, Revenge, and Redemption. Mr. Bones is the Future of rap music and you can hear it in his first LP "Thug Hitz 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Southern Style Details: "Miami is a place everybody needs to visit. South Beach is like the Partyland while across that bridge is the Twilight Zone." These are the words used to describe the hometown of one of Miami's most invigorating rappers, Mr. Bones. With the release of his debut album "THUG HITZ VOL. 1", The Franchise Thug of Double Action Entertainment, Inc. has captivated audiences in ways not felt since the early days of Rap music. "THUG HITZ stand for The Hardest UnderGround Hitz...it's a story that happens everyday in every hood. It's basically the streets personified." While growing up in Dade County can be detrimental to the health of a young thug, Bones found music to be his saving grace. "Music is an important outlet to release joy as well as anger. It's a less harmful and legal way of expression. My album consists of my good and bad experiences. Even though I went through my trials and tribulations, I'm not scared to talk about my real life situations." With songs like Eyez of a Thug, Fight Clubbin' and The Least We Can Do, Mr. Bones represents the struggle on all levels; The soldier, the rebel, and the visionary. But don't tell him that, " I'm not trying to make a statement. I'm just a regular n!&#@. I work hard and make the best decisions I could possibly make. To me this is just everyday living."
