MyndsEye contains original, multi-genred, high energy, guitar and keyboard driven vocal and instrumental tunes that are upbeat, melodic and positively FUN. 8 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: Power Pop Details: Welcome to the "MyndsEye" cd. All material is original and composed, arranged, performed, recorded, produced and copyrighted by MyndsEye. Some influences for me have been Dr. Dre, Blue Man Group, Dire Straits, The Parliments(funk-a-delics),Yanni, Jimmy Buffet, Weird Al Yankovich (yes..even Al :-), Earth,Wind and Fire, Tower Of Power, Kool and the Gang and tons of other great artists and bands from the 50's, 60's, 70's, 80's to present date. It has been a privilege to have had several of my songs licensed for video/film work, compilation CD's, was chosen by MakeAstaras the "Finalist Winner" in their highly competitive song competition and was voted the Grand Prize Winner of the "2001-A Musician's Odyessy" music competition sponsored by MusiciansFriend Magazine (the worlds largest musical gear company). Following the release of the first CD "MyndsEye-Wired" ...a second CD album (this one right here) has just been released titled "MyndsEye"...which features the incredible guitar work of John Fiore. I present the music to you. Enjoy the CD :-)
