

Mp3 The Chinch Bugs - Unglued

[DOWNLOAD HERE](#)

Quirky melodic pop rock with catchy hooks, mostly 60's influenced, but with a touch of 80's rock and synth pop. 12 MP3 Songs POP: Quirky, ROCK: 60's Rock Details: Look out! The Chinch Bugs are back again with album #2, their first release on the mpls ltd label. Unglued is the follow-up to Infestation, the 2004 party album which yielded the college radio novelty hit "Some People Are Dumb". This time the four former members of The Sandwiches offer up a 12-song eclectic pop mix that promises to be more than just fun and games. Songs on Unglued are sometimes bright, often quirky, and even frightening- but ultimately catchy. Check out guest appearances by Joey Molland(Badfinger) and Brian Tighe (Hang Ups and Owls) who were both nice enough to drop by the studio. Enjoy Unglued by THE CHINCH BUGS.
