

## Mp3 Tim Rock - Move!

[DOWNLOAD HERE](#)

World Fusion 19 MP3 Songs WORLD: World Fusion, WORLD: World Beat Details: This second album by Tim Rock is a creative fusion of world beats and numerous genres including driving percussion, acid jazz, African soukos, Bahamas island music and even some Blues riffs. Six and twelve string guitars create simple and effective solo lines with highlights of driving bass lines, mixed percussions and sax and jazz flutes. Each tune is a unique blend of various genres designed to make you MOVE! Rock is an internationally published underwater photographer who uses many of these tracks to accompany his acclaimed digital slide presentations.
