This is a book which looks at the life and times, in the period of 1950-60. It's about how life treated you, how times were tough nearly always on the bread line, the structure of life was up to you, how you had to behave to your parents and other elders, especially the local bobby, where to know your place basically it was respect for your elders. This is a true tale of how it was to be growing up in the early days, sometimes it got better and sometimes it did get worse, but I was always look on the bright side, and smile, This book tells the story with some humour, you needed that to get through life safely. I was always told to tell the truth, so I have always stuck to that policy Author: Thomson, Ray Publisher: AuthorHouse Illustration: N Language: ENG Title: My Life in Rhyme Pages: 00000 (Encrypted PDF) On Sale: 2011-08-05 SKU-13/ISBN: 9781456779719 Category: Family & Relationships : General
