"Would You Like The Blueprint To Building Your Own Online Business That Will Beat Any Recession?" I want to help you to make money online by bringing you the perfect step by step video course showing you exactly how to build powerful websites that sell. Dear Online Marketer & Recession Beater!, So the question on everyone's lips is, how can I make money online? Where do I start, how do I do it? Is it difficult? Well, you have already started because you are searching online for money making opportunities and that is why you have found this website. I am going to make your life a lot easier because I have teamed up with Ben Hulme to show you EXACTLY how to build your own internet business. . We are going to guide you step by step so that you learn everything you need to know from scratch. . We are going to provide you with EVERYTHING you need to get started, the products, the website graphics, the sales letters, you name it..... So how do you become a success? By working hard? - NO! This could not be further from the truth, you need to work smart in order to succeed. We have saved you a lot of time, money and effort as were going to show you the quickest and easiest way to build a passive income online, one that can eventually allow you to leave your current job and start living the life you want to live. You will learn how to sell E-Products (electronically downloadable products) to

hungry niche markets. No multi level marketing, no pyramid schemes, no Forex trading etc. This is a very simple process that can be repeated over and over again creating many multiple income streams. I understand that when you start out online, it can be quite confusing, how do I do this, how do I do that. But do not worry because that is why I have teamed up with Ben to show you how easy it actually is. First, you need to take a step back, think about what you want in your life, what you want to achieve and where you want to be in 1 year, 2 years or 3 years time. You want to work for yourself. You want to have financial security. You want to live a more comfortable lifestyle, go on vacations when YOU choose to. Drive the luxury car, live in the dream house. You want to spend more time with your family, friends and loved ones. You want to make money even when times are hard such now, in the current recession/credit crunch. You want to have a better quality of life rather than having to hit snooze on that alarm clock at 6 in the morning every day. You want to stop working for the cash machine and living for the weekend. You are not alone and this is a definite possibility for you. In fact 79,000,000 (yes million) Americans plan on starting their own business in the next 3 years (Forbes Magazine). With that number of people looking to make money, dont you think now is the time to start your own business online? So why should you sell E-Products? E-Products are the future, not only do you have a product that can be replicated infinitely at no cost to you. But there are no storage costs, shipping and handling charges etc. The products are stored on a host server and can be downloaded as many times as you wish at whatever price you should choose. They can be distributed to anywhere in the world and they can be automatically downloaded without you being there So you can make money even while you are sleeping. So how can I help you? Well, I am offering you a unique opportunity get hold of Bens New Video Course and sell it on yourself for pure profit. You will learn exactly how to build your own profitable sites and you will then have a quality product to sell online. You will get all the website graphics, the professional sales letter, videos etc. The course will guide you and show you EXACTLY how to set everything up so you will be live online and ready to sell in a matter of hours. You then keep all the money you make from selling the package. This is a Video Course Package with a difference because I am giving you FULL INTERNATIONAL MASTER RESALE RIGHTS to the entire course meaning that you can sell it on for pure profit. This means that YOU keep all the money generated by the sales. You will be able to have your very own professional website with products ready to sell even if you have never built a website before and know nothing about it. This is an opportunity not to be missed... Most people take months and months to get to that stage, so not only

am I saving you time, BUT I am saving you money too as you will get everything you need. If you were to put this package together yourself it would cost you \$thousands, and that's not including your time. You are going to learn a very powerful business model that can be replicated over and over again. You just need to be willing to learn and believe in yourself and your success. As Henry Ford once said, "Whether you think you can or you think you can't, you're right" Just to show you that this business works, here are some of Bens proof of earnings that he has kindly allowed me to show you. He has money coming in from various Multiple Income Streams (M.S.I's), Joint Ventures and affiliate projects. He and I want to show you how to do exactly the same. His customers details have been blurred for privacy reasons. What will you actually receive? You will receive the Video Course which consists of 10 videos and MP3's that have been built by Ben personally (not outsourced). You will be able to literally look over Bens shoulder while he shows you each and every step to building your own profitable website, ready to sell your own products. You get Full International Master Resale Rights to these so you can watch them again and again and copy them to produce your own powerful websites that sell time and time again. Your Video Course Consists Of 10 Videos & MP3's Video and MP3 #1 10 Mins 49 Sec Getting Started - Domain Names and Hosting. Video one is all about setting up, a welcome to the course and then Ben shows you the basics, starting with the first step which is getting a domain name, RightBiz for example. This is very important obviously as this is where your customers are going to go, it is like the entrance to your shop but it is more than just that and he explains why. He will show you where to go to register a FREE domain name and where to get the best hosting* available online. This video is the starting point in your online journey. Once you have taken this step and you have your first domain name, you are on the road to success all you need now is the website and the product - which he will show you in the next videos. * You will need to buy your own hosting He will show you where to get the best deal he has found online. Video and MP3 #2 38 Mins 46 Sec What Software to Build Your Website With Ben is going to show you the easiest way he has found to build a website using a piece of simple software called XsitePro. If you can use Microsoft word and write an email you can build your own website! Seriously, it is not as scary as it sounds. You do not have to use this software to build your sites, but you can learn how to build your own instead of having to outsource your website design paying upwards of \$400 a time. You will see the power of this software and you will see why building a website is not such a daunting task like most people think. He will show you where to get the software and the advantages of using this over others. *

You do not have to use xsitepro2 but if you do, it is \$197 one time fee. We think that this is the best web design software available. You can outsource the website design if you would like or use other software, this is just his recommendation. We also suggest Trellian Web Page which is free. Video and MP3 #3 24 Mins 35 Sec How to Build Your Website From Scratch You will learn step by step how to build your own powerful website from scratch. How to put the professional website graphics into the software to build the structure and the aesthetics of your website. In a matter of minutes, you will cry laughing when you see how simple this is. This method can be used for all the professional website graphics provided for you, so you only need to do this once and you will be able to repeat it again and again. He will also show you exactly how to structure your website, where to position the different pages and how to prepare it for the content. This will have your site looking like it was built by a professional web designer and it will be a site you can be very proud of. Video and MP3 #4 34 Mins 09 Sec Putting Content and Products to Your Website In the fourth video you will see how and where to put the content on your site. How to make the sales letter look perfect and how to edit it, how to put html into a website and how to edit that. You will be taken through this step by step so you can replicate this process over and over again. You will also learn how to put audio onto your website, how this can make your website more personalized which can really help with sales. He will also show you how to put your products to the site allowing your customer to download it automatically after they have paid. This can be a confusing process but he will show you exactly how to do this easily and quickly. This will automate your business so that when you make sales, even when you are asleep, you know that your customer is able to download what they paid for. It is after all very important to keep your customers happy. Video and MP3 #5 28 Mins 25 Sec How to Create Your Very Own Video for Free This is a step by step video on how to create your own video using free software. You will learn how to create a video that you can put to You Tube and other video sites for FREE. This is a great way to get traffic to your website, and Ben is going to show you exactly how. After this video you will be able to create your own video to put to You Tube and other online video sites - great for generating huge qualified traffic to your site. You will be able to put music and narration to your video and how to put writing, subtitles and effects on to your videos. * Windows movie maker for this - It is available on most windows computers and it is free. Video and MP3 #6 13 Mins 52 Secs How to Put Your Video to Online Video Websites In the sixth video Ben is going to show you how to put your video to You Tube and other online video sites. This is a great way to get traffic to your website and again it is a free

method of advertising your business. You will also learn how to embed that video onto your website so that your visitors can watch what you have created, on your website. Video is an extremely powerful tool and is something that every website should be using in one way or another.
