YouTube Ranking Software - Video Rankings v1.0 Easy To Use Software Take You By The Hand & Help You Rank Your Videos On The First Page Of Google... FAST! Put your hands on this premium software to rank your OWN business videos on the first page of Google! Dear Internet Marketer Friend, How many times You have to be taken for a ride before you realize that in order to reach the first page of Google you just need to follow an exact sequence of steps that work over and over again. Thats a fact! To rank on the first page of Google you just need a few basic ingredients, that once mixed together, will give you the same results every single time you apply them. Over time things have changed a bit but the CORE is the same. The difficult part is getting the right sequence and apply it until you get results. Wellwe have done that for you, we developed a software that will help you reach the first page of Google using Youtube Videos. Youtube is an authority site that belongs to Google and they will give priority to their own site but ONLY if you use the right steps and get the right backlinks. This is not a simple course that explains how

to do it, we go further than that, we are giving you the keys to the kingdom we are giving you the same software we use in our business to rank our videos on the first page of Google! Introducing: Youtube Ranking Software a la Gangnam Style. The One and Only Youtube Project Management & Tracking Software in the market! Let me tell you a few things you can do with it: - You can create unlimited Projects. - You can rank unlimited videos for your main keywords. - You can track the rankings of your main keyword on Google. - You can track your progress (on every step). - You can give the software & training videos to your outsourcer and he/she will do it for you! Saving you valuable time! - It will help you rank your Youtube videos on the first page of Google! Really? How? You are getting a project management system that will guide you during the entire process of ranking your videos, you will be able to keep track of your progress on each step plus you will be able to see your rankings at any time! Do I have to invest more money? Yes if you want to buy a few Fiverr Gigs to help you with your rankings but the software is a complete project management solution designed for ranking Youtube videos (never seen before!) It's like buying a powerful car, you still need to buy petrol FAQ's: - Is this an ebook? NO, this is software, the same software we use to rank our youtube's videos on the first page of google. You'll have the option to get the CASE STUDYs VIDEOS later. - How fast can I rank videos using your software? Usually very fast if you follow EACH of the steps, we managed to rank for very competitive keywords by following each step on the software. - Is it easy to use? YES, of course, that's the idea behind it, just add your main keyword, the videos you want to rank, follow the steps and you are done! If you want further guidance you should get the CASE STUDY where you see me live using the software. - Can I see some proof? Yes of course you can get the CASE STUDY OTO where you will see me using the software and ranking my video on the first page of Google for a buying keyword. - But I want to see that some proof! Watch our video where we used the same system to rank for a product before and during a launch (see it on the end of this productpage). VIDEO UPDATE Here is a video created by user who used this software: youtube.com/watch?feature=player_embedded&v=3Zk3u_IT5JE More premium Download Products you can find in our Tradebit Shop at Netdealer.de.ms
