

# Come Hither To Go Yonder: Playing Bluegrass With Bill Monroe - Bob Black

[DOWNLOAD HERE](#)

While other work on Bill Monroe has been written from a historical point of view, Come Hither to Go Yonder is told from the perspective of a musician who was actually there. Filled with observations made from the unique vantage point of a man who has traveled and performed extensively with the master, this book is Bob Black's personal memoir about the profound influence that Monroe exerted on the musicians who have carried on the bluegrass tradition in the wake of his 1996 death. This volume also includes a complete listing of Bob Black's appearances with Monroe, his most memorable experiences while they worked together, brief descriptions of the more important musicians and bands mentioned, and suggestions for further reading and listening. Offering a rare perspective on the creative forces that drove one of America's greatest composers and musical innovators, Come Hither to Go Yonder will deeply reward any fans of Bill Monroe, of bluegrass, or of American vernacular music.
