Instant Meta Tag Creator..... You can submit your site all you want...but, with out the right things on your site, you're not going to get listed anywhere. And if you do, it won't be in the higher ranks of the engines. This is something I learned the hard way. I put together my sites and submitted them to every search engine I could find. I had no meta-tags and didn't think I needed them either. After a few weeks I checked out the engines, nothing listed. I waited another few weeks and check again, still, nothing listed about my sites. Search engines are tricky little things that need the right information to read on your pages in order to list your sites correctly. Building higher search engine listings just got easier...with this new, just released software. INSTANT Meta-Tag Creator was designed to help YOU place the correct information on your website pages to build higher and more responsive search engine listings. Getting listed in the search engines isn't easy anymore and getting a good listing is almost impossible.
