

# Mp3 Carla Ulbrich - Leftovers

[DOWNLOAD HERE](#)

Funny, offbeat songs- both parodies and originals- about wedgies, Klingons, Waffle House, and other important stuff. 12 MP3 Songs in this album (26:17) ! Related styles: POP: Quirky, FOLK: Alternative Folk People who are interested in "Weird Al" Yankovic Rob Paravonian Eric Schwartz should consider this download. Details: This is a "rare tracks" CD. It contains alternate versions of some songs that have already been released, as well as some obscure tunes that weren't released because they didn't fit the nature of any of Carla's previous CDs. There are only 200 copies of this CD. When those are gone, we're not making any more!
