

Mp3 De Luna - Music From The Heart

[DOWNLOAD HERE](#)

Exquisite - Solo Harp music with songs inspired from around the world. 11 MP3 Songs FOLK: Gentle, FOLK: Traditional Folk Details: This is De Luna's first CD. Being that De Luna is inspired by music from around the world, she selected songs that would represent a few different countries. It is a beautiful CD, with both traditonal music and a few original compositions.
