DEFON THE MESSENGER:Well me as a human being and a soul, get tired of dating people that can't be faithful or tell the truth. I think that it is a waste of time to cheat and creep. I mean if your going to be a HO, at least be honest with the person if the only thing yo are going to be to the person is a F#\* @ buddy. I think that would be better insted of playing with their emotions. I'm definatly real with whoever I date. And definatly a faithful man.
