Details: Garden State Music Garden State have been described as a Minimal/Pop Art Electro Act/band. Garden State was formed in late september 2007 consisting of two members interested in many genres of music, ranging from minimal dance, indie electro and nu metal through to psychodelic nu wave and chill out. The sound of Garden State encapsulates the love of each genre and in each track attempts to link in new elements without losing their original sound. The debut album 'This is Midnight' contrasts light and dark psychedelic electronic 'nu wave' sounds.
