Nujazz singer songwriter pop with an eclectic edge. Great vox and lyrics. 11 MP3 Songs POP: with Live-band Production, JAZZ: Modern Creative Jazz Details: What do you get when Texas girl moves to Berlin? A sexy and sensual mix of poetic, heartfelt, sometimes smooth sometimes gritty, and sometimes coquettish Pop, Nu jazz and Alternative! Ginger Mackenzie has found her voice! If you love Kate Bush, Feist, Regina Spektor, Suzanne Vega and music in this genre, you will love this record! The Ginger Mackenzie of the past was compared to Jewel and Dido, but the sultry voiced slightly neurotic European influenced Ginger Mackenzie is artistically treading into Kate Bush territory. At the same time, Ginger somehow remains true to her signature catchy melodies and thought provoking lyrical style. Ginger Mackenzie is back y'all with her first album in nearly 5 years. We think you're gonna love it! Landing Gear was produced by Guy Sternberg in Berlin and features an 18 piece Berlin orchestra. This album is a sonic treat for music lovers! People who are interested in Suzanne Vega Regina Spektor Feist should consider this download.
