A spiritual blend of gangsta raps over westcoast beats. 8 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Hardcore Rap Details: King Davids 1st solo release is a raw uncut mastapiece from the young shepherd boy. Released in 2002 on Mastamind Records, King David and his young crew are the most lyrical click since Tupac and the Outlaws. King David has done songs on albums featuring Queen Latifa and Fu Snickens. Ready for war I believe King David is the most blessed M.C. since Tupac. Believe that! Just as it was written King David went in to battle Goliath (Great Splendor) with 5 smooth stones (Songs) in his Shepherds Bag (Album), not countin the 3 skits. And he took 1 smooth stone (Song) out of his Shepherds Bag (Album) and put it in his slingshot (CD Baby) and hurled it at Goliaths (Great Splendor) forehead (Fans Mind). We are up and runnin on digital distribution so go to like Apple Itunes, or any other digital outlet to download single tracks off the album. Request your favorite song off the album on satelite, and digital radio stations. We here at Mastamind Records greatly appreciate your business and doin business with you.
