These are the hallucinogen induced songs deemed 'too dark' for The Red Bedroom. 7 MP3 Songs
ROCK: Modern Rock, ROCK: 70's Rock Details: The title track from the "Who's Gonna Save You Now ?"
EP is the new single from Mark Mallman's critically acclaimed CD The Red Bedroom. Also included on
the EP are 7 unreleased Outtakes from the recording sessions for The Red Bedroom. The previously
unreleased tracks continue to explore the darkly seductive path that was traveled on The Red Bedroom -
from the Midnight Cowboy saluting "Outside the Bedroom" to the sex driven "Black Bedroom." These are
the hallucinogen induced songs deemed 'too dark' for The Red Bedroom.
