Details: Mark Miklos hails from Edison New Jersey, a place one would not expect to find such a bluegrass music traditionalist. His music blends a traditional singing style of bluegrass overtones and contemporary song structures creating a sound that respects the past and tips its hat to today's radio. He writes and sings music that elaborates on his rich broad vocal range. Mark sings the kind of bluegrass and honky tonk music that not only bring to mind rural scenes, but also scream traditional american roots when you hear them. "Mark Miklos has that sound you call REAL and for you folks out there that want to hear new traditional songs, Mark has written a bunch of fine ones that sound like classics. Radio DJ's are also going to love this CD as it is a sharp contrast to what is going on in bluegrass today. "Pocono Joe" also has a few new twists for you modern fans. Some of his material is very much "today" but timeless and heartfelt. Fans of traditional country will simply love Marks delivery as his tone is reminiscent of the classic voices of yesteryear. Its not often that a singer with the same intensity as Hank Williams comes along - ENJOY" Bob Harris, Ampersand Records
