Twisted and experimental goth-hop, electronic psych-folk, art-pop and freaky brain music. An intensely personal allegory encoded with dark humor for protection. 10 MP3 Songs ELECTRONIC: Trip Hop, ELECTRONIC: Experimental Details: Experimental goth-hop, electronic psych-folk, art-pop and freaky brain music for children of all ages. An intensely personal allegory encoded with dark humor for protection; the lo-fi, chanted lyrics are surrounded by sparse cha-cha space-drum treatments and assorted dark nights of the soul. Distributed in Europe by Open Circuit/Staalplaat. "Blood is being drained from my body by a musical vampire, everything else is unclear, my veins is being exposed to sharp teeth, I am helpless against the forthcoming attack..." - Joost Hegle, Nephilius Please visit their website, for more information, mp3s, and cover art gallery.
