Welcome to a pub sing with Mistress Bawd. I hope you find yourself singing along and roaring with laughter while enjoying my music. Many friends and supporters joined me for the live recording of the second offering from Mistress Bawd on July 20th 2002. 12 MP3 Songs WORLD: Celtic, FOLK: Traditional Folk Details: Mistress Bawd ". . . A female character from 16th Century England...a kind of combination of an inn-keeper and a lady of the evening...classy, sassy and independent. . ."(Susan Kay) A vibrant singer and dazzling 12-string guitarist, has captured classic songs of love and life from the Renaissance era with this her second release on Hot Springs Records, "Give back my Bordello." Mistress Bawd writes; "When you play this CD, you will find a surprise as I have included the words to the songs as requested by my listeners. Now I hope you will sing along with the CD and when you see me in concert or at the local pub, will be ready to sing with me. This Album was recorded LIVE and what ever happened! Happened. (I send a hardy thank you to my listeners in Minnesota, USA for being my victims!) I am sure you will get a good laugh and feel you are in the room. See you soon I hope!" Mistress Bawd appears annually at renaissance festivals and at other Celtic theme events and venues. And has now become an International Artist. Look for her in Ireland, England, Scotland, Wales Portugal.
