Sit Back, Relax, Close your eyes and listen to this movie soundtrack to an imaginary movie. 11 MP3 Songs BLUES: Jazzy Blues, JAZZ: Smooth Jazz Details: "The Movie" by Molten Mike is his Millenium CD. This concept disc has all the background for a movie. The story starts with the 3 movement Jazz-Funk-Rock "Theme to an Imaginary Movie" "Viva Le Tour" sets the stage for A Car-Boat-Cycle-Race. "Alligator Tennis Shoes" is a laid back hip-funk instrumental perfect for background. Just thinking of you serves up a haunting refrain leading to "CandleLit Room" (#29 on the Adult Contemporary Top 40 2001) a sexy Love Song for the Love Scene. The Latin Vibe Love for Jane the seductive "You know what I'm Here For" and "Clearwater Sunset" round out the love scenes. Now the inevitable break-up song "Back Of My Mind" Followed by the ironic "Worst Blues I Ever Had" finish the film and you wind down with "The Final Scene, The Credits Roll". It's great background party stuff or, late at night, with the candles lit..... Molten Mike has used lots of tracks and production on this CD, as well as a large supporting cast including Female Vocals and Strings and Horns.
