Details: Paula Turnage is a true classical artist with a smooth vocal sound similar to Sarah Brightman and Sara Groves. She adds that little 'celtic lilt' that gives her songs an Irish feel. The songs on this particular album are all traditional Christmas and/or classical pieces that have been heard over the centuries, but, Paula has definitely added her own unique sound to each track. She has been singing since she was a child of 3. She sang almost as much as she talked, always a song in her heart. With formal voice training from an excellent teacher, she learned to project a strong voice, while, at the same time, controlling her volume like a true virtuoso! You will be delighted when you hear these songs, sung with great emotion.
