STRAIGHT HIP-HOP. STREET APPEAL WITH HOT CLUB TRACKS. RAYMO DEFINITELY BRINGS HIS OWN STYLE, CREATIVE DELIVERY YET A SIMPLE FLOW THATS EASY TO FOLLOW. BIG UPS ON THE FIRST PROJECT CANT WAIT TO HEAR NO.2 13 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: I am a recording/performing artist, songwriter and producer. I started rappin when I moved to San francisco Ca. I was about 12yrs old. Most of my musical influence is from the west coast. I was born in Canton, Oh. and lived there until I moved to Cali. I always remembered my midwest flava. My diversity can be heard in my lyrics and through my beats. Of all my experiences in the basements and studios, being back home felt right. I had time to focus on my craft, but something I wasn't totally satisfied until my man Fresh brought his keyboard to me. That was it, I needed beats tailored for me. Two months of long days and nights educating myself on a trinity keyboard, that I had previously watched another producer make beats on, I was ready. Now it was time to get in a real studio and put something together that's truly my own. This album (Mind on My Money) was produced and written by me. I recorded it at CMC music studios in Canton. I am open to working with other producers and artists. I'm continually striving to improve in all areas of this business so look for the next project to be out soon.
