

Mp3 Recycleman & The Waste Band - A-way With Waste

[DOWNLOAD HERE](#)

Every kid should hear this important music about saving the planet. 10 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Political Details: Peter DuBois AKA Recycleman launched his environmental music career when he co-founded The Garbage Gurus. Peter was the principal singer songwriter on the band's 1992 release "Out of the Dumps" which features some of Peter's signature trash tunes including the Milk Jug Stomp, Stinky Stinky Landfill and Compost! During 1997 Peter took on a solo project called "The Waste Band" which included a CD release including the long-running hit music video of the title track "A-Way With Waste." In 2002 Peter put together his current touring band, the Dumpster Divers. A high energy, 30 minute set is offered, with young ears and attention spans in mind.
