

Mp3 Renegade - Redneck Rap

[DOWNLOAD HERE](#)

This artist has a Kid Rock/Bubba Sparxxx type sound. With the aggression of DMX, but yet a smooth Scarface story telling ability. 16 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Southern Style Details: Who's Renegade? He talks like a pure back-wood redneck but raps like Curtis Blow and ICE T combined. He is the best-kept secret in the South! Get ready for the biggest twist in the world of Hip Hop. With perhaps the most unique lyrical content in the game, going off about Old West outlaws, Bootleggin moonshine, his Cherokee blood, and the meth lab problems with Southeast Texas Rednecks. Born, Derron Griffin, in Beaumont Texas, this former Arena League Football player has a rare ability to capture any audience he performs for. His powerful stage presence captivates all colors and different groups of people of any genre of music. His shows are full of energy and he can perform at almost any type of musical show regardless of style. His release of Redneck Rap on his own Griff records label shows his unique versatility and story telling ability. Production was done by Kevin Hurd and Smidi Smith of Buffed Beat productions, in Spokane Washington. Other production coming from Grammy nominated DFO music Group in Houston Texas. Check out Renegades mix tapes with the South's Finest MC's featured. Renegade currently resides in Houston and is currently working on his next album, due out Summer of 2005. Production will come from Kevin Hurd productions and a couple others that remain a secret. With true Hip-Hop Club bangers and a Limp Bizkit/ Kid Rock feel, this album is headed Ultra Platinum for sure on versatility alone. Look for up coming videos on MTV, BET, and VH1. And check out upcoming issues of XXL and Murder Dog to read more about the most unique and versatile artist in the game.
