Straight up power country; modern country with a shot of southern rock thrown in. 11 MP3 Songs in this album (39:03) ! Related styles: COUNTRY: Modern Country, COUNTRY: Country Rock People who are interested in Toby Keith Kenny Chesney Montgomery Gentry should consider this download. Details: thats countrytrue as red, white and blue If theres one phrase from Ronnie Dyes new CD that captures him perfectly its that one. Ronnie Dye *is* countryfrom his years as a Phoenix headliner, through personal tragedy and joy, Ronnies writing and vocals capture the true spirit of country music. Dont let the metropolitan home base of Phoenix fool you. Ronnies small town roots are evident at the drop of a hat. When he sings of a southern beauty queen and her ornery, over-protective brother in "Burl Genes Sister", you suspect he doesnt just know these people.they show up at the family reunions. Ronnies own experience in a boating accident lends an eerily prophetic tone to "Gone Fishin".a song he wrote 2 weeks before his brush with death. When he incites a Friday night party crowd in the song "Hey YAll", you just know hes been *in* that crowd as many times as in front of it. The song "Thats Country" paints a picture of small town America and its simplest appealin a way that only an insider can capture. Thats Country is straight up power country with a nod to southern rock and roll. Teamed with producer and co-writer Steve Parrish, the CD features an energetic mix of songs with a wide range of influences from Lynyrd Skynyrd, Toby Keith and Randy Travis, to Montgomery Gentry and Kenny Chesney. Featured musicians include Justin Worley, Ronnie Derosett, John Rickard and Andy Varner. Guest backup vocals from Steve Parrish and Fatimah Halim. Distributed by Desertcoast Music Group 2008/2009
