

Mp3 Rosivita - Nachtblau

[DOWNLOAD HERE](#)

Remarkable fusion between rock and chanson. lyrics in german and english. 12 MP3 Songs POP: with Live-band Production, ROCK: Punk Details: Rosivita follows her own path between rock and chanson. Her voice might remind you of singers such as P.J. Harvey, Patti Smith and Lotte Lenya. Her lyrics are angry but also poetic and ironic, sung in German and English. She forms a team with composer and producer Klaus Karlbauer who does not hide his roots in classical music, he knows his Kurt Weill! Nachtblau is designed to be played live in a classical rock formation including Hammond organ and alto clarinet featuring jj smith on his "outlaw country guitar". All songs are recorded in a live - setup without any overdubs.
