Everything you wanted to know about..... News Reporting 101 Exclusive Offer! Never Before Revealed Information! Dear Friend, Are you looking for a way to make money and write at the same time? Have you been considering a career in newspaper reporting but are not sure what to expect if you embark on such a career? Have you been toying with the idea of going to school for writing but are not sure if it will pay off? If so, then you most likely have some questions that need to be answered when it comes to newspaper reporting and the career choices it offers. The field of newspaper reporting has changed dramatically over the past 10 years and is still evolving. However, the same rules of basic reporting apply to all types of news and magazine writing - be it off line or online. Although the game has changed, the rules remain the same. If you are looking for advice on a reporting career, you have come to the right place. The best advice comes from someone who has been there! In order to give advice about newspaper reporting, you need to know something about the field and also have worked in it for at least a few years. There are many career advice books on the market, but most are not written from the perspective of someone who has chosen that career path for themselves. If you are looking for a way to get career advice about the field of newspaper reporting, you need to look for a book that is written by a real journalist. This gives you a first hand perspective of what it is like in the field and what you can expect. Newspaper Reporting 101 While other books are written by those who have never worked in a

newsroom or even have a degree in journalism, this book is different. It is written by a person who not only has a degree in the field, but also has been working in the field of newspaper reporting for years. This book is written so that it is entertaining as well as easy to understand. If you are considering a career in journalism and want to learn more before you leap, you cannot afford to be without this book: Written By Someone With Experience! 1) Learn how to get started as a newspaper reporter This book will teach you what you need to know if you are going to get started in the field of newspaper reporting, including what options are open to you and how to pursue them. It will also tell you how you can start without a degree as well as what types of degrees to pursue for different career choices in the field of reporting. 2) Learn how to become a good newspaper reporter In addition to telling you how to become a newspaper reporter, this book will teach you what you need to know to excel in the field. It goes over style, the rules of journalism and different avenues that a reporter can pursue to fulfill their career goals. It is filled with everything you need to know about embarking on a career in journalism. Here is what you will learn inside this guide.... What to study in school to become a reporter What types of reporting jobs are out there What is style and how to use it How to copy edit your own work How to get ahead in your field Basic rules of good reporting And a lot more! P.S. Remember when I told you that this book is your ticket to learning everything that you need to know to launch a successful career in newspaper reporting? This was not a boast. This book is helping thousands of people figure out what they want to do with their lives when it comes to a career in reporting and it can help you, too!
