

# The Cambridge Companion To Modern British Culture

[DOWNLOAD HERE](#)

British culture today is the product of a shifting combination of tradition and experimentation, national identity and regional and ethnic diversity. These distinctive tensions are expressed in a range of cultural arenas, such as art, sport, journalism, fashion, education, and race. This Companion addresses these and other major aspects of British culture, and offers a sophisticated understanding of what it means to study and think about the diverse cultural landscapes of contemporary Britain. Each contributor looks at the language through which culture is formed and expressed, the political and institutional trends that shape culture, and at the role of culture in daily life. This interesting and informative account of modern British culture embraces controversy and debate, and never loses sight of the fact that Britain and Britishness must always be understood in relation to the increasingly international context of globalisation.

Publisher: Cambridge University Press Illustration: N Language: ENG Title: The Cambridge Companion to Modern British Culture Pages: 00340 (Encrypted PDF) On Sale: 2010-08-19 SKU-13/ISBN: 9780521864978 Category: Literary Criticism : English, Irish, Scottish, Welsh
