

The Dirty Dozen: How Twelve Supreme Court Cases Radically Expanded Government And Eroded Freedom - , William Mellor

[DOWNLOAD HERE](#)

The Founding Fathers wanted the judicial branch to serve as a check on the power of the legislative and executive, and gave the Supreme Court the responsibility of interpreting the Constitution in a way that would safeguard individual freedoms. Sadly, the Supreme Court has handed down many destructive decisions on cases you probably never learned about in school. In *The Dirty Dozen*, two distinguished legal scholars shed light on the twelve worst cases, which allowed government to interfere in your private contractual agreements; curtail your rights to criticize or support political candidates; arrest and imprison you indefinitely, without filing charges; seize your private property, without compensation, when someone uses the property for criminal activity-even if you don't know about it!

Author: Levy, Robert A.
