Did You Know That Auto.Yahoo & CraigsListGenius Combined Would Throw You Into A High Quality Traffic Spiral That Few Marketers On The Planet Can Even Fathom? \*This is not a spam

tool.\* I do not create spam tools, I do not use spam tools, and I do not like spam tools. I create valid marketing software that I personally use to generate additional traffic to my sites using creative methods. This means that I use automation, but I do not abuse any company or individuals services by becoming a burden on their system. Anyone interested in using this tool or any of my other software in any manner that would overload the YahooTM website, or other site or service is strictly prohibited from using this or any of my other software. Reasonable and rational adults should use enough self restraint to be respectful of the people who make our marketing efforts so fruitful. Additional information can be found in our Terms & Conditions. ----- We accept Credit Cards, Paypal, and Echecks! Please note: You Can Download This Software Right Now... But You Will Need To Purchase A License In Order To Open & Activate It. I do consider this a Secret Software Program because I am very careful as to how many copies I allow out. If the order link on the bottom of this page is inactive/disabled, then just signup for my A-List and you will be notified the next time I list it (if it is listed again). Can You Imagine Getting Access To Millions Of Yahoo Visitors Every Single Day Simply By Asking Questions and/or Answering Other Peoples Questions? Its Astounding on a level that few people can even fathom... When done properly, your questions/answers will show up in the top of Yahoo search results often! In addition to this amazing search engine benefit, you also get ultra targeted visitors who are actively searching for answers covering absolutely every subject and topic under the sun on yahoo answers site. This relates into new and extremely motivated visitors to your website, every single day of the week without fail! There are all sorts of traffic generation tactics floating around the net, and of them all, this method out performs close to 100 of anything else out there. Lets face it -- There is traffic and then there is
