Stupidly Simple Script, Makes Your Customers Line Up To Bookmark Your Site and Join Your List. What are the two most powerful ways to get people to come back to your site? * Get the customer to bookmark your site * Capture your customer's email address This new simple but powerful script gives you the ability to reward your customers for bookmarking your site, and at the same time get them to sign up for your list. How Does it Work? The setup is easy, and should only take about 5 minutes. Once setup you can choose a page to send the customer to after he/she bookmarks your site. This is the page that you'll use to reward your customers, also this is where you'll want to capture your customer's email address. Example Click Here to bookmark this site and get the... Scientific Internet Marketing Assistant This great script makes it easy to run split tests. If you're not testing, your losing money. Click Here Baby Steps The customer has an easy decision to make first Bookmark this site and get a freebie. Now after they've taken that first baby step, you have a much better chance of getting them to go ahead and put in their email

address to receive the product. You're going to have more people sign up, than if you just asked for their email address in the first place, because they're taking baby steps. Bonus Home Page Function If you run a site that someone might want to use as a home page. You can also reward people for setting your site as their home page. Easy to Setup (You can have it up and running in five minutes) Easy to Understand (Make it easy for your customers to take action) Easy Decision (Get this program, and start using it today) Order Today!
