"Finding Home" follows a single mother through the many challenges of life and love. The main character, Aimee, is faced with many life situations and is challenged to balance motherhood with her career and taking care of herself. Thinking she has it all figured out, life gets in the way and shows Aimee that she still has room to grow and leads her on a path towards self-realization. The question: is she strong enough to pull herself and her son through it all? Kelly Depp is a dynamic and complex author. She grew up the second of two girls in a small town in the south. In her travels throughout the US and the Caribbean, Kelly has gained a broader understanding of the world around her. These experiences have been a source of joy and have provided the author with countless observations to draw on in her writing. To create and develop her characters and stories, Kelly relies on her vivid imagination and observations of others. Writing has been a passion of Kelly's since the early 80s and she is delighted to share her work with you all.
