

Hitchhikers' Holiday (erotica/erotic Novel) - Emillie Dumont

A road trip hitchhiking cross-country leads to lots of opportunities for sexual gratification along the way! But - there's an added twist: The road trip is a race between two hot young women who want to see who gets to the destination first! The trip begins with hitchhiking - with all it's possible dangers and steamy encounters along the way! Gurgling like a baby, Helena closed her eyes and surrendered blissfully to the erotic stimulus which Rosemary was giving to her. She allowed her thighs to separate, urging the woman to fondle her as freely as she wished, pushing her crotch up to meet the movement of Rosemary's finger with a sweet, thrilling abandon! Rosemary glanced at her husband. "It's all right, Milton. You can release her now!" There was an unmistakable note of triumph in her voice. "Our little girl isn't going to struggle any more - are you, my precious?" Excerpt: "Heads!" The coin spun briefly in the air, fell with a brittle tinkling on the ground and glinted brightly under the high morning sun. Gleefully, the taller of the two girls stooped and picked it up. "I'm first, then!" she cried, showing the florin to her friend. "Not that it makes very much difference. I might get a car that's only going a few miles, and your driver could take you all the way to London!" She hoisted her haversack so that it fitted more comfortably on her back and adjusted

the straps - making sure that the wide leather thongs didn't cut into her breasts. They formed a criss-cross pattern across the girl's chest, drawing attention to the two shapely globes - held tightly by a crisp white blouse - which thrust sexily forward between the straps. "How do I look?" she asked. "Pretty enough to be given a lift without waiting too long?" The other girl gazed at her with rueful admiration. "I still don't think it's really fair, Nancy," she sighed. "You know you're prettier than me - and you're bound to win the race!" Nancy smiled. She shook her blonde, shoulder-length hair and made the fringe brush like a fine, silky mop across her forehead. There was no malice in her easy acceptance that she was the more beautiful of the two. Although Helena's figure was more rounded, her curves extremely well-shaped and developed, Nancy was undoubtedly the better-looking. She had no false modesty, either. "It's not just a race," Nancy reminded Helena. "We're doing this for experience as well, remember? I mean, supposing I'm picked up by a dull, middle-aged couple who happen to be going nearly all the way? That wouldn't be winning, would it? And you won't forget that the Number One rule is: never refuse a lift! That's where the luck comes into it! So I'd say our chances are very fair ... " Helena glanced at her watch. "It's nearly midday," she said. "You'd better start, or we'll be stuck in this place for the rest of the day. Go on - you've got an hour's start: then I'll come down to the road as well ...
