Details: Born in Rock Hill, SC, to humble beginnings, \*Charm\* is an abbreviation of Charissa Mobley, the R&B singers birth name. As early as 4 years old \*Charm\* could be seen in her performance get-up of sunglasses and a microphone, dancing and singing to her own tune. First singing in church and then for family reunions by the age10, \*Charm\* grew to adore music and realized the wonders of her voice.

Naturally a good writer, \*Charm\* wrote for the local newspaper as a teen and began writing music lyrics in high school. By the time \*Charm\* was 18 years old, it was clear that music was her passion and she began working on her first solo album. Although this album never made it to shelves, \*Charm\* continued to sing in karaoke locales and open mics. She worked with other producers around the District of Columbia before realizing that her dream lied within. \*Charm\* connected with two young producers of industry credibility at an entertainment event in the nations capitol, and the duo crafted music to \*Charm\*s style which led to the grass roots work for Check For Me, and the foundation of \*Charm\*s solo debut began. By working odd jobs, \*Charm\* scraped month by month over 2 years to pay for an album that would set her apart from many other female artists in the music business- she wrote the lyrics for each song, executive produced each track, and paid for the entire project independently. Often hearing the words star and amazing after performances locally and nationally, \*Charm\* is headed for international success. \*Charm\* is an ASCAP artist and desires for listeners to hear the realness in her lyrics and in her voice. Inspired by naysayers and doubters, \*Charm\* wrote the title song Checkn For Me with hopes of getting across her personality and her belief in turning negative energy into positive. When asked where

she will be in 5 years, \*Charm\* quickly responds, [just] Check For Me. Not cocky but confident, \*Charm\* draws audiences with her electric performances and her resonating voice- no wonder the coined alias fits her perfectly. Sure to make her mark in 2009, \*Charm\* is a singer/songwriter destined for stardom.
